Spiritual Reference for SPBTL Growth Project:

For we are God's servants, working together; you are God's field, God's building. According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building on it. Each builder must choose with care how to build on it. For no one can lay any foundation other than the one that has been laid; that foundation is Jesus Christ.

– I Corinthians 3: 9 - 11

WHAT'S NEXT FOR THE GROWTH PROJECT??

The Capital Campaign phase has begun.

This is the time where we are all given an opportunity to contribute our financial resources to support the ministries and mission of our church by expanding the sanctuary, providing a beautiful and welcoming worship environment, better and more education space, and to attract growing membership.

The process of the Capital Campaign starts with a Quiet Planning Phase during the months of April and May, that will include:

- refinement of the expansion/building plans to reflect input from the feasibility study
- development and production of campaign materials and the campaign brochure
- campaign leaders will be recruited and major gifts will be pursued.

Our intent is to hold a kickoff event for the congregation when the campaign reaches 50% or more of the goal by early June. This will begin the Public Phase of the campaign and pledges from the congregation at large will be pursued over the June to July time period.

Continue in prayer for this very important time in the life of OUR Church.
