Spiritual Reference for SPBTL Growth Project:

For we are God's servants, working together; you are God's field, God's building. According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building on it. Each builder must choose with care how to build on it. For no one can lay any foundation other than the one that has been laid; that foundation is Jesus Christ.

– I Corinthians 3: 9 - 11

We're Making Room for Our Future *Construction Begins*

Over the weeks, exciting activity and changes can be seen on the grounds of St. Peter by-the-Lake!

Construction began March 7 and should last 11 to 12 months. The Nave will be usable until the last 5 months of construction.

The sacristy and some rooms on the lower level (nursery, front classroom and choir / chalice bearers / acolyte vesting room) will be open for a few more months; alternate arrangements will be made for these areas.

Photos will be added as the work progresses: [Construction photos](#)
